

THE UNION.

BRIDGEPORT, AUGUST 30, 1884.

LOCAL INTELLIGENCE.

PERSONAL.—Tom. Hill, of Bodie, and an aspirant for the Democratic nomination for Sheriff, was here on Sunday night, returning home from Sweetwater.

G. H. Morrison, agent for Bancroft's History of the Pacific States and Territories, has been in town most of the week of taining subscriptions to this valuable work, and has been very successful.

O. F. Hakes and Chas. A. Schuman, of Bodie, are here as counsel for Donnelly, on trial for murder.

Supervisor Raymond was in town this week, prospecting the Collectorship.

J. H. Connell, and G. P. Bronson and wife were up from Antelope on Wednesday.

George Chichester and Henry Pitts, of Antelope Valley, are in town.

Rev. Mr. Delamater was here yesterday, on his way home from Conference. He will shortly return to Reno.

So Poor.—The Bodie Free Press, invites the "poor farmers to send their truck" to Bodie, and says that the Bodie "marketers rarely secure a fresh article of ranch butter, which commands such a price that few can indulge in the luxury." How this world is given to lying! Either the Free Press or the Bodie merchants indulge in that pastime, as the latter advertise fresh Mono ranch butter at 25 cents a pound, and no better butter is made anywhere; and we don't believe the Bodieites have become so poor that butter at that price is a "luxury that few can indulge in." It is one of the Free Press lies on the people of that much abused town. We are glad Bro. Childs can come to the Pioneer Banquet, get a square meal and luxuriate on Big Meadows ranch butter.

SENSELESS.—Jo. Marshall, of Bodie, has withdrawn as a candidate for County Treasurer, and consequently there is no Republican aspirant for that nomination, and it is probable, there will not be, as it is admitted that Treasurer Tinkum will be re-elected by a crushing majority, and a Republican who attempts to run against him will exhibit a lack of good sense in his makeup. Jo. Marshall has been prospecting and finds there is nothing in it for any man but Tink for the next term.

TEMPERANCE LECTURES.—The Rev. C. C. Bateman lectured on temperance at Bryant's Hall last evening to a good audience, and it was one of the most sensible lectures on this subject we have listened to in many years; and it was one that will benefit the cause more than all the lectures ever delivered in this valley. Those not present last evening missed a good lecture, and we advise every one to attend this evening his lecture on "Association."

PHOTOGRAPH GALLERY.—J. A. Hanson and wife, photographers, have arrived and pitched their tent east of the Leavitt House, and are prepared to do first-class work in photography. They take a good portrait, and we cordially commend them to the patronage of our people. Now is a good time for our farmers to have their homes photographed.

FOR COUNTY CLERK.—Under "New To Day" Alex. Beck, of Bodie, announces himself a candidate for County Clerk, subject to the decision of the Republican County Convention. Mr. Beck is favorably known throughout the county, and is very popular in Bodie, having been clerk for the Standard Co. for several years. He is well qualified for the position and if nominated will add strength to the ticket.

THE MONO DEMOCRACY.—The Democracy are to hold their primary election on Saturday next, Sept. 6th, and their County Convention on Monday, the 15th of September, at Bodie. The Bridgeport polls will be opened at Bryant's Hall at 8 o'clock in the morning and closed at 7 in the evening. B. Peeler acting as Inspector, and A. H. Allen and M. M. Walzer, Judges. Those pledging themselves to vote for Blaine and Logan can vote.

REPUBLICAN PRIMARY.—The Republican primary election for delegates to the Republican County Convention will take place between the hours of 10 A. M. and 7 P. M. The Bridgeport polls will be at Bryant's Hall. H. L. Leavitt, Inspector, and A. H. Allen and M. M. Walzer, Judges. Those pledging themselves to vote for Blaine and Logan can vote.

PRIMARY TICKETS.—The following are the tickets being voted at this precinct by the Republicans: Unpledged, Myron M. Walzer, Chas. Stewart, R. M. Folger and C. B. Anton; Loose, Sheriff, Norman Hanton, M. M. Walzer, J. W. Towle and Jos. A. Brown; Huncwille, Recorder, J. Sinnamoon, W. T. Elliott, G. B. Day and Jos. A. Brown.

The carrot is a Bridgeport production. Carrot diet is said to invigorate a fossilized stomach and brighten petrified wits.—Bodie Free Press.

Will some rancher please send a load of carrots to the Free Press office, that they may take the place of a less injurious invigorator?

SCHOOL HOUSE.—The Trustees of the Clinton School District have bought in Bodie, for \$35, a one and a half-story building, 24x24, for removal to Clinton for a school house.

REMOVED.—Contractor C. B. Anton this week removed eleven bodies—the remains of those buried by the county—from the old to the new cemetery.

BENTON LETTER.

BENTON, August 22, 1884.

EDITOR CHRONICLE-UNION:—I noticed an article in the issue of the CHRONICLE-UNION of the 9th inst., in which you warmly advocate the re-election of Z. B. Tinkum, incumbent, County Treasurer. Now, I think, you have hit the right peg on the right end this time, at least. Mr. Tinkum has always been, as we are all aware, a faithful, a zealous and obliging officer; often going far beyond the statutory requirements to furnish information and to accommodate all those who inquire after matters pertaining to his office. I will take the responsibility of saying that if Mr. Tinkum desires the office another term, as far as I know, he can rest assured that he will get almost every vote cast in this end of the county, irrespective of class, color or party, for it would be cruel injustice to drop him at this time; but let us say "Well done, thou good and faithful servant." As you say, he has taken the office at the contemptible salary of \$200 a year when no one else would look at it, and he should enjoy, for a term or two, at least, the increased salary under the County Government Act.

A REPUBLICAN.—We can assure our Benton correspondent that the feeling in favor of Tinkum's re-election is general throughout the county, and particularly among Republicans, who delight in honoring an honest official, be he a Democrat or Republican, and it is not likely Mr. Tinkum will have any opposition in the Republican ranks, unless the Republican Convention stumbles over some one who has more money than brains.

THE CONFERENCE.—The M. E. Conference, recently held at Genoa, Nev., made a radical change in the work. The Conference has been abolished, and the service will now be performed as mission work, a change that will bring to the work more able men, as they can still belong to their old Conference which they could not under the Conference system. The Mission will be under the supervision of Rev. Mr. Delamater, of Reno, brother of our late Presiding Elder. Rev. Mr. Brinkshaw will remain at Bodie; Rev. Mr. Willis, of Genoa, will take the place of Rev. Mr. Brinkshaw at Antelope Valley; Rev. Mr. Nims will remain at Bishop Creek. No provision has been made for the Bridgeport service, as our people are not so much in need of being looked after as our Bodie neighbors, who require much missionary work to prepare them for the future.

MUSIC TEACHING.—M. W. Ford, the well known musician, of Clinton, has engaged to teach music at Bridgeport on Mondays and Thursdays. He will teach piano, organ, violin, cornet, flute, or any other instrumental music. Pianos and organs repaired and tuned. Now is the time to become a musician. Give him a call.

MURDER TRIAL.—Thus far the following juries have been obtained in the Donnelly murder case: T. McNamara, J. W. Toyle, M. Hanton, N. Hanton, F. W. Hatfield, J. K. Denison and A. Kirkpatrick.

OPENED.—The Shafter Champion Dining Hall, of Bodie, was opened to the public on Monday last. The surroundings are of the best and finest.

SUMMER COX.—On Wednesday, the mill company used crushing \$72 grade ore, of which an abundant quantity can be taken from the mine.

HOT.—Yesterday was one of the hottest of the season, the mercury having climbed to 94 degrees in the shade. Today is not much cooler.

SUPERVISORS.—The Board of Supervisors will hold an adjourned meeting on next Tuesday week, Sept. 9th.

On Sunday afternoon, at Sacramento, C. R. Clark shot to death A. Wainwright, who was married on the previous evening at Clark's residence to a twin sister of Clark's wife. It is thought he intended to kill the bride, also, but she fled to the church and was saved. No reason can be given for the dastardly act, other than that Clark was probably enamored of the sister and did not wish to have the sisters parted, as they had always lived together. Both men were mechanics, steady, and respected, and all were on the best of terms.

The war between France and China has opened pretty lively. Foo Chow has been bombarded, and the arsenal destroyed. On the 25th the French gunboats attempted to enter the river, but were repulsed, by the Chinese, who opened fire from the White fort. They did good firing.

IT DIDN'T HIT.

There was a chap on the boat who lived at Jackson, Miss., and he was telling his many anecdotes regarding the negro population. Among others, he told of a fellow who once shot a negro at a dance.

"Well Colonel, what particular occasion had he for that?"

"The fellow had a pull at his hat with one hand, and scratched his head with the other, and answered:

"Well, sah, I reckon dat was 1/2 the white down de road a few minutes ago."

There was a passenger from Mono Island who was greatly amused by these anecdotes, and two or three times asked what I can hear him laughing in a doctory for big words and stringing them together. When we arrived at Natchez he was all bonadap. A lot of us went up to see the town, and as we walked the crest of the long and steeply down, we met a colored woman on her way down. Here was the chance the night clerk had been waiting for, and he hailed her and demanded:

"What name have you got under the name of the previous information?"

"I was here and another, and a third, and a fourth, and a fifth, and a sixth, and a seventh, and a eighth, and a ninth, and a tenth, and a eleventh, and a twelfth, and a thirteenth, and a fourteenth,
